THANK YOU FROM MRS GORDON

I would like to extend a HUGE THANK YOU to all of the children, families and staff of our wonderful school community! I have truly enjoyed my year at our school and I will have fond memories of the numerous events from the entire year which include a huge amount of learning and, also, having fun! I appreciate everybody's enthusiasm and contributions for our students. 😊

Mr Gord Cumming (new principal as of August 1st) is joining a wonderful school community; please join me in welcoming him!

Have a fun and safe summer!

TENTATIVE CLASS PLACEMENTS 2016/2017

Based on the students registered @ Marion Schilling Elementary for next school year, the staff has been working on tentative class placements. Changes may happen over the summer due to families moving to or from our school catchment area so placement drafts are definitely tentative. All students will report to their current classroom on Tuesday Sept 6th from 10:30-12:30. New students should report to the office. Parents of students who are beginning Kindergarten in September will be contacted by teachers, Mrs Bunney and Ms Yeast, to schedule meeting times. Best wishes to all of our Gr7 students who will be attending secondary school in September:)
