‘Home of the Mavericks’

Spring is coming...

Welcome back to all our students and families! Spring has sprung and we are excited about our upcoming events and activities here at Marion Schilling Elementary School. The Staff and I hope everyone had a great Spring Break and enjoyed the two weeks to relax, catch up on some activities, or to travel and create some memories.

We are proud to present our production of *The Jungle Book* in May. Ms. Mark has been working hard planning, preparing, and prepping the actors for their roles. Please mark Wednesday, May 17th on your calendar for our 6:30 pm performance in our Gym.

Thank you to Mrs. Hayashi for her time and efforts with *The Battle of the Books* and Relay Fest (April 12th) and to Mr. Delorme for helping organizing the wonderful Day of Suwentwecw.

Mrs. Cairns and Mr. Reed have started practices with our school Flag Football Team and league play begins next week. We look forward to lots of success on the field.

As the year is starting to come to an end we have started to look at our Staffing for the upcoming school year. In May's Newsletter we will have a timeline for discussing and tentatively placing students into classes for September.

Enjoy the Spring weather...

Mr. G. Cumming ~ Principal

Please respect students' safety by not using the South Driveway... We do not want to see a child injured because someone is disobeying the expectations.

SAFE ARRIVAL

Marion Schilling Elementary introduced a new Format and Process for Safe Arrival back in November. The staff is now all trained and the Program is up and running. ***Please use the new toll free number 1-844-350-2647 to report your child's absence or lateness.***

STRONG START

Our Strong Start Program is back in full swing again after the winter break. Thank you to all who have come out to enjoy this wonderful program for families of toddlers to age 5. Our qualified ECE instructor, Deanie Stevens is there to assist you and answer your questions while you enjoy this time interacting and helping your child make some new friends and explore new play centres. Drop in times are between 8:30am - 11:30am, Monday to Friday.

PAC

The next meeting is Wednesday, April 12th @ 6:00 pm in the Library

We encourage you to be involved in your children's education. Our aim is to make our children's educational experience the best that it can be. Come and meet other parents and share your ideas and concerns. We need your support.

Get Outside

When students get outside to run, shout, get dirty and play outside it is fun. Students need space to be quite, enjoy nature, and watch the clouds go by. Being outside gives students space to move their bodies, practice new skills and explore the world. Encourage your student to GET OUTSIDE!
